

Hawick Rugby Memories Club

NEW AUTUMN SCHEDULE All Are Welcome

Thursday 7 September

Enjoy a unique opportunity to share the rugby memories of our very special guest, Scotland's new coach **Gregor Townsend**, fresh from the successful summer tour. All the usual banter, photos, a cuppa and old videos, including the Tooney flip.

This session is devoted to the man oo call Bill. We pay tribute to the **Voice of Rugby**. Share your personal memories and stories and find out from Allan McCredie what it was like to work with the great man. There will also be an opportunity to examine some rare items of memorabilia from the Bill McLaren Foundation.

Thursday 2 November

The Volunteer comes to Mansfield Park when **Gary Alexander** takes us on a nostalgic jaunt reminiscing about the exploits of Hawick Linden. Current and former players and officials will be especially welcome.

Thursday 7 December

Join one of the Green's most colourful characters, **Ian Barnes**. Barney is sure to entertain with tales from the depths of the second row and being coach when we last won the league and cup.
